Dear Mr. Perry,

I would like to take this opportunity on behalf of the National Sorority of Phi Delta Kappa, Inc.-Beta Chi Chapter Kudos Club, Advisors and myself to thank you for your presentations discussing the topic of "manhood."

The Kudos thoroughly enjoyed and also learned from the presentation. You have provided our young men with the needed tools to continue discussing this topic and providing them with a means of improving upon the positive attitudes which they already possess.

I wish you continued success and hope that you will continue to be available to our organization as a speaker.

Respectfully,

Ms. Tuwania R. Anderson
