Letter of Reference: William B. Perry

I have known and worked with Mr. William B. Perry since he began to teach at Urban Day School in January, 1993.

Bill has proven to be an incredibly dedicated teacher who has always developed an excellent rapport with students. He sets very high standards for them - both socially and academically - and works with them to reach those standards.

Bill has served as a true role model for many of our students and is committed to working with the youth of our community.

If I can be of any further assistance to you, please feel free to call.
