To Whom It May Concern,

Please allow this letter to verify that William J Perry worked at the University of Wisconsin – Milwaukee as a Lecturer from May 22, 1995 through June 18, 1995 and also from June 17, 1996 through August 11, 1996.

I have made copies of his W-2 earnings from our microfiche files for those years and attached a copy to validate his earnings and retirement eligibility with the University of Wisconsin.

Sincerely,

Jane Campbell
