To Whom It May Concern:

It is my sincere pleasure to write this letter on behalf of Mr. William Perry. I'm most certain that Mr. Perry has the competency of the degree that is being awarded to him. I have been working with Mr. Perry for quite some time. He have shared some real interesting thoughts and ideas on the direction he is going. He have demonstrated a commitment to this program by dedicating his time and effort to succeed and reach his ultimate goals.

Mr. Perry is intelligent, hard-working, and friendly. He accepts criticism well and is able to work in a subordinate position. He is also able to command respect and lead when circumstances dictate that he do so. He is a person I trust and admire. He has many talents, which he works hard to develop. While working with him, I have been continually impressed with his driving commitment to excellence. He is uncompromising in his quest for a quality education. He never seems to lose focus of his goals and interest.

Mr. Perry communicates clearly and effectively. He is articulate tactful, and impressive. As a public speaker, he is at ease with faculty groups, students, and parents. In my judgment, Mr. Perry is a model profession. There are many proficient and dedicated leaders in education. There are also leaders who, because of their commitment to education and students, must be considered outstanding. Mr. Perry is outstanding. In conclusion, I feel Mr. Perry has the talent to perform at an exceptionally high level. He has also influence me in a lot of ways to pursue my doctorate degree.
